## *Description*

A captivating combination of charm and craftsmanship, this hedgehog sculpture is meticulously crafted from luminous Colle Val d'Elsa crystal, renowned for its unparalleled clarity and rich Italian glassmaking tradition. This refined piece transforms a humble woodland creature into an emblem of serene elegance and meticulous design.

Hand-finished by master artisans in Tuscany, this sculpture is more than a decorative object, it is a celebration of understated luxury, where the simplicity of nature merges with the precision of fine Italian craftsmanship. An exceptional piece for those who appreciate the art of detail, serenity and form. Made in Italy.
