Description

Fluid, elegant and striking in form, this two-piece Manta Ray composition captures the majestic grace of one of the ocean's most iconic creatures. Sculpted from luminous Colle Val d'Elsa crystal, renowned for its exceptional clarity and radiant brilliance, each manta ray glides effortlessly through a moment of underwater serenity.

This sculptural pair, with their billowing wings and soft lines, evokes the natural choreography of these gentle giants as they move harmoniously through the depths. A symbol of grace, freedom and serene strength, the Manta Ray Duo is perfect as a statement piece or a centerpiece. A refined composition that brings timeless elegance and the spirit of the sea to any refined interior.
