

## Ox Royal

*Design: Duccio di Segna*

### *Description*

Of imposing form and majestic symbolism, the Ox Royal Sculpture is a majestic homage to strength, patience, and sovereign grace, handcrafted from the legendary Colle Val d'Elsa crystal, sourced from the heart of Tuscany.

Each line of Ox Royal is sculpted with masterful precision: the powerful neck, the steady gaze, and the sweeping arc of the horns evoke serene authority and timeless resilience. An exceptional centerpiece for refined interiors, private collections, or spaces where symbolism blends with elegance. This refined piece is more than a sculpture, it is an emblem of enduring nobility, forged in crystal and tradition. Made in Italy.
