

Ox Stylized

Design: Duccio di Segna

Description

Sculptural purity meets symbolic power in the Stylized Ox sculpture, a refined expression of form and essence, exquisitely crafted from iconic Colle Val d'Elsa crystal. This piece distills the noble spirit of the Ox into an abstract silhouette of modern sophistication.

At once timeless and contemporary, this sculpture serves as a visual meditation on strength, resilience and balance. Whether placed in a curated interior, on a marble pedestal or under a focused beam of light, it invites contemplation and admiration, a symbol of moving serenity and grounded luxury. Made in Italy.
