

## Paradise Bird

*Design: Duccio Di Segna*

### *Description*

This exquisite Paradise Bird sculpture is skillfully crafted from the radiant crystal of Colle Val d'Elsa, a Tuscan town renowned for its centuries-old tradition of artisanal glassmaking.

With its graceful silhouette and flowing plumage, the bird embodies a serene elegance and ethereal beauty. More than a decorative piece, it serves as a timeless expression of refined luxury and the splendor of the natural world. Available in the model with head up and with head down. Made in Italy.

### *Dimensions*

**Head up:** 19"5/8H

**Head down:** 17"H
