

Parrot Royal

Design: Duccio Di Segna

Description

Parrot Royal is a masterfully crafted decorative sculpture forged from the legendary crystal of Colle Val d'Elsa. This majestic parrot captures the essence of regal charm, its form rendered in shimmering clarity that dances with light.

Every curve, every meticulously cut facet reflects the centuries-old artistry of Tuscany's glassmaking tradition, turning this sculpture into a symphony of brilliance and grace. The Parrot Royal is more than a decorative piece, it is a statement of luxury, a timeless tribute to nature's nobility in pure crystal. Made in Italy.
