

## Peacock Royal

*Design: Duccio Di Segna*

### *Description*

Exquisitely handcrafted from the world-renowned crystal of Colle Val d'Elsa, this stunning Peacock Royal sculpture captures the regal essence and natural elegance of one of nature's most majestic birds.

The crystal's exceptional clarity and subtle refractions bring the peacock to life, casting prismatic light and creating a sense of graceful movement. A symbol of beauty, pride, and renewal, this timeless piece serves as both a refined decorative object and a testament to the artistry of Tuscan crystal-making heritage. Made in Italy.
