

Peacock

Design: Duccio Di Segna

Description

A timeless symbol of beauty and majesty, this exquisite peacock decorative sculpture is handcrafted from the finest Colle Val d'Elsa crystal, prized for its luminous clarity and artisanal heritage. With a proud stance and intricately rendered plumage, the piece captures the elegance and splendor of the peacock in dazzling detail.

Each facet reflects the mastery of Tuscan crystal craftsmanship, turning light into a dance of brilliance and grace. A true statement of refinement, it brings a touch of regal artistry to any distinguished space. Available in two models: with tail turn or with tail down.

Made in Italy.

Dimensions

With tail turn: 18"1/2H

With tail down: 18"1/2H
