

Pelican

Design: Duccio Di Segna

Description

Graceful and serene, this decorative Pelican sculpture is masterfully crafted from the finest Colle Val d'Elsa crystal, a hallmark of Italian artisanal excellence. With fluid lines and luminous clarity, the piece captures the quiet dignity and strength of the pelican, an enduring symbol of resilience, devotion and abundance.

The crystal's natural brilliance enhances the sculpture's lifelike presence, reflecting light in soft, shimmering patterns that evoke the tranquil beauty of coastal waters. A striking fusion of nature and artistry, this sculpture is a refined statement piece perfect for collectors or anyone drawn to the quiet elegance of avian forms and the timeless allure of Tuscan crystal craftsmanship. Made in Italy.
