Description

An exquisite celebration of grace, heritage and serene majesty, the Royal Hen sculpture is impeccably crafted from luminous crystal from Colle Val d'Elsa, the Italian birthplace of fine glass. With its imposing bearing, this noble figure radiates refinement and presence, elevating a humble personage into a symbol of dignity and abundance.

The impeccable clarity of the crystal enhances the sculptural depth, while the hen's imposing silhouette radiates a serene authority befitting its royal title. Hand-finished by master artisans in Tuscany, this piece transcends decor, offering a statement of timeless elegance for the most sophisticated interiors. Made in Italy.
