

Royal Paradise Bird

Design: Duccio Di Segna

Dimensions

19"5/8"H

Description

This decorative Royal Paradise Bird sculpture is masterfully fashioned from the luminous crystal of Colle Val d'Elsa, a Tuscan town celebrated for centuries of artisanal glassmaking.

With sweeping plumage and an elegantly poised silhouette, the bird evokes a sense of serene majesty and otherworldly beauty. This piece transcends mere ornamentation, offering a timeless statement of quiet luxury and natural splendor. Made in Italy.
