Description

Elegant and meticulously crafted, this luxurious set of four miniature turtle sculptures showcases the timeless artistry of Colle Val d'Elsa crystal. Each piece is hand-finished to enhance the crystal's purity and brilliance, with delicate contours and intricate details that bring the turtles' gentle forms to life.

The quartet evokes a harmonious sense of movement and tranquility, an elegant tribute to longevity, patience and natural beauty. Whether displayed together as a radiant centerpiece or individually as refined accents, this exclusive set exemplifies the rich heritage of Tuscan crystal craftsmanship. Made in Italy.
