

## Toucan

*Design: Duccio Di Segna*

### *Description*

A bold expression of tropical elegance, this Toucan sculpture is exquisitely crafted from the luminous crystal of Colle Val d'Elsa, Italy's historic cradle of fine glassmaking.

The bird's signature beak and sleek contours are sculpted with refined precision, capturing its vibrant character in a form of pure, radiant clarity. Both playful and poised, this piece brings an exotic sophistication to any curated space. Made in Italy.
