

## Toucan Toco

*Design: Duccio Di Segna*

### *Description*

Charming and sophisticated, this Toco Toucan sculpture is masterfully crafted from the pure, luminous crystal of Colle Val d'Elsa, celebrated for its clarity and artisanal excellence. With its iconic oversized beak and playful posture, the toucan is handcrafted in exquisite detail, capturing both the vibrancy and elegance of this tropical icon. Graceful curves and radiant surfaces bring the piece to life, allowing light to dance across its form and highlight its distinctive silhouette. It embodies joyful sophistication and timeless beauty. Made in Italy.
