

## Sentei

*Design: Paolo Grasselli*

### *Description*

The idea behind the Sentei table is to create a sculptural piece. The base seems to rise forth from the floor, just as a three-stemmed tree stump rises forth from the ground. It is sculptural yet light, designed yet seemingly random. Made in Italy.

#### **Technical information:**

**Structure:** Structure in metal and polyurethane available in different finishes.

**Top:** Glass or marble top.

Optional Lazy Susan only available for marble top version.
