Description

Elegant and practical, this Italian luxury set of towel baskets is crafted in waterproof and durable regenerated leather with a refined straw exterior. Available in two sizes, they're ideal not only for washcloths but also for keeping sunglasses, sunscreen, or other small essentials organized. Their versatile design makes them perfect for both bathroom decor and outdoor use, including aboard yachts or in SPA areas. Pair them with matching laundry baskets or the paper bin from the same collection for a cohesive look. Made in Italy.
