

Canaria

Design: Antonio De Marco

Description

Elegant and multifunctional, this set of three towel baskets from the Canaria collection showcases the line's distinctive woven pattern in three thoughtfully sized pieces. Designed to adapt to a variety of uses, they're ideal as washcloth holders, empty pockets, or for organizing everyday items like sunglasses, sunscreen, and body lotions. Each basket is treated to be water-resistant, making the set especially suited for use in bathrooms, spas, or wellness areas. A perfect balance of practicality and refined craftsmanship, the Canaria baskets add a subtle touch of elegance to any space. Made in Italy.
