

Demetra

Description

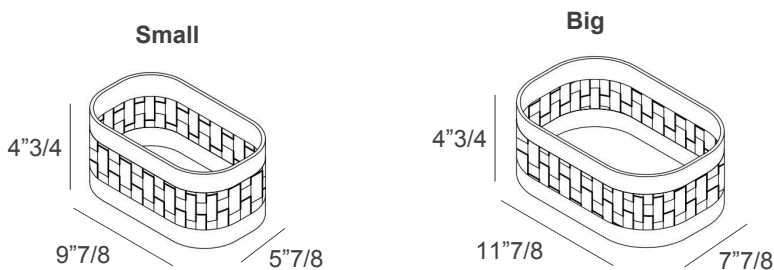

The unmistakable woven texture of the Demetra collection is re-imagined in this set of two towel baskets, offering both style and versatility. Available in two convenient sizes, these baskets are ideal for storing washcloths, sunglasses, sunscreen, or other daily essentials. Made from treated, water-resistant regenerated leather, they are perfectly suited for use in bathrooms, spa areas, or even aboard yachts. With their elegant weave and practical design, the Demetra baskets elevate any space with a touch of refined utility. Made in Italy.
