

Giove & Style

Description

A definitive expression of sophisticated style, this Italian luxury set of three trays is beautifully complemented by the Style thermal carafe, seamlessly blending refined design with everyday functionality.

Each tray features a wooden structure covered in soft, genuine leather, with a non-slip base for added stability. The minimalist design is elevated by metal handles, bringing a polished finish to every piece.

The Style carafe is entirely made of stainless steel, inside and out, and is finished with a lavish leather cover adorned with delicate laser cuts. A practical zip allows the cover to be easily removed for perfect cleaning.

It keeps drinks hot for up to 12 hours and cold for up to 24. It holds up to 10.14 fl oz (300 ml).

Available in a variety of colors and leather textures, this refined set is fully customizable to suit your interior style. Whether used for serving, organizing, or display, these trays offer elegance with practicality in every detail.
