

## Igea

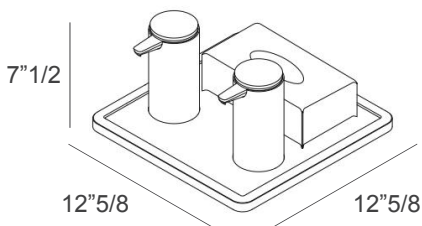

### *Description*

An instant touch of class, wherever it's displayed. This smart and stylish sanitizing set is perfect for rooms, stores, showrooms, yachts, hotels, or meeting spaces—designed to help maintain clean and welcoming environments. The set features rechargeable sensor dispensers, a soft tissue box and an elegant tray, all covered in leather, blending functionality with refined aesthetics. The vertical hand-to-sensor distance allows users to control the amount of soap or gel dispensed, ensuring both convenience and hygiene. Made in Italy.
