

Jane & Style

Description

Simple yet stylish, this refined set features four rectangular trays with softly rounded corners and a sleek, contemporary silhouette—perfectly complemented by four coasters and the Style thermal carafe. The tray set consists of one large tray that holds three inner trays: two small and one medium, all designed to nest seamlessly for elegant storage and presentation. Each piece is crafted from wood and covered in hand-stitched calfskin leather, with a waterproof, scratch-resistant surface and a non-slip base for added functionality.

The Style carafe is entirely made of stainless steel, inside and out, and is finished with a lavish leather cover adorned with delicate laser cuts. A practical zip allows the cover to be easily removed for perfect cleaning. It keeps drinks hot for up to 12 hours and cold for up to 24. It holds up to 20 fl oz (600 ml).

Available in a wide selection of colors and leather finishes, this Italian designer set brings both elegance and convenience to any space. Made in Italy.
