

Pamphili

Design: Antonio De Marco

Description

A must-have element for stylish coffee table or sideboard decor, the Pamphili set of three trays brings sophistication and versatility to any modern interior. This newly introduced trio stands out for its impeccable craftsmanship and minimalist elegance, making it a refined accent for contemporary living spaces. Designed with soft round corners and a sleek silhouette, each tray is fitted with distinctive handles—featuring a bar supported by metallic spheres, paired with elegant leather inserts. These thoughtful details not only enhance visual appeal but also provide functional grip. Perfect for serving cocktails, organizing accessories, or displaying perfume bottles, the Pamphili trays blend modern design with everyday utility.

Made in Italy.
