## *Description*

Elegant and versatile, this luxury set features five trays with a clean, contemporary silhouette—perfectly suited for both everyday use and stylish presentation.

The set includes one large rectangular tray that holds four smaller trays nested neatly inside: two square and two rectangular, allowing for easy storage and flexible serving combinations.

Each piece is built on a strong wooden structure and covered in soft, hand-stitched calfskin leather.

The refined Samurai trays invite you to play with colors and dimensions to create your own unique arrangement. A timeless Italian design that blends practicality with understated elegance—ideal for elevating any space or occasion. Made in Italy.
