Description

Elegant and multi-functional, this set of three rectangular trays suits every space and purpose—from compact organization to decorative display. The smaller trays are perfect as trinket holders on your bedside table, a stylish catchall in the entryway, or a sleek addition to your desk for pens and small items.

The larger trays are ideal for showcasing décor on a console or shelf, serving as a centerpiece with flowers, or organizing daily essentials. Use them in the bathroom for toiletries or on your vanity for makeup, perfumes, and jewelry. They're equally functional for keeping bedside items like reading glasses and water within reach.

Versatile and stylish, featuring an aluminum base entirely covered in natural leather this luxury tray set brings refined Italian craftsmanship and effortless organization to any room. Made in Italy.
