

Fuoriclasse

Design: Adriano Design

Description

Foosball table with structure in 5/8" thick low iron tempered glass, featuring beveled and cerium oxide-polished corners. Playing field in pure white Corian®, suitable for outdoor use. Players in painted metal: one team in traffic white, the other in black, each with hand-applied faces. Chrome-plated brass handles with quick-mount system for easy removal and replacement. Chrome-plated brass scoring units. Telescopic rods in AISI 316 stainless steel with dual-layer shock absorption and self-lubricating bearings for smooth, quiet movement. Goals with polished stainless steel frames and handcrafted black nets. Adjustable feet for uneven surfaces. Brass joints, milled, chrome-plated and polished. Supplied with Teckell® Tool Kit including assembly tools, special lubricant, and Certificate of Authenticity. Designed for indoor and outdoor use. Made in Italy.
