

Gualtiero

Design: Cristian Visentin

Description

Gualtiero is a multifunctional design piece that merges playful elegance with refined craftsmanship. Side A features a “Cabinet of Curiosities”: a circular mirror that opens like a camera shutter via a side knob, revealing a hidden compartment with a 19”5/8 diameter and a 6” deep internal shelf. Side B is a fully functional dartboard, framed in cork and ready for play. The body is constructed from six 5/8” thick extra-clear tempered glass sheets and wood. Available in two finishes: Canaletto walnut or open-pore black ash. Includes a dart set and a magnetic laser for proper player positioning. Comes with the Teckell® Tool Kit containing a Warranty Certificate and maintenance tools. Designed for indoor use. Made in Italy.
