

# Bodyguard

*Design: Studio Bigg*

## *Description*

Sofa with metal structure. Armrests and backrest padded with multi-density expanded polyurethane (T40 + CD18SS + T30N) covered with resin lining 350 gr and wadding "Fibra Piuma 545 gr". Seat padded with multi-density expanded polyurethane (T40 + OS35scm + 35EM + MindFoam SS) covered with wadding "Fibra Piuma 545 gr". Springing: elastic belts. Covers in fabrics or leathers as per collection. Varnished metal feet, available in micaceous brown finish. Standard feet height is 6"5/8. On request feet can be 8"5/8 with an extra charge. Made in Italy.

### Note:

The armrest and backrest mechanisms increase the size of the sofa by 5"7/8 in width and 4" in depth. In order to avoid any damages to the mechanism, please do not sit on armrests and backrests.
