

## 141

### *Description*

The 141 series is crafted by pouring two ladlefuls of hot glass freehand over a curved rod to create two overlapping puddles. The rod is then lifted, and the puddles wing out into an unpredictable shape in a gesture that is both simple and cinematic at once. After this process, the rod is replaced with an LED light source. The 141 is meant to be hung as a single element or in clusters, with the irregular shapes conversing with one another.

The 141 Series uses a coaxial cable suspension system, and each pendant includes 118"1/8 of coaxial cable, which can be adjusted on site. Longer lengths are available for an additional charge. Lamps and power supplies are included.

There are three canopy options available:

- Random Single
- Deep Random Single
- Mini Random Single (flush mount)

**Please note:** The mini flush mount canopy requires a new build or suspended ceiling with remotely mounted power supplies. Remote drivers are recommended for easier long-term maintenance. All installations must be performed by certified personnel to ensure code compliance.

### *Finishes & Materials*

**Pendant:** Poured glass.

**Canopy:** Steel.

141

## Dimensions

± 9"7/8W - 15"W x 118"1/8H (Cable & Canopy: Adjustable)

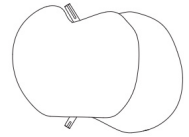

### Available canopies:

**Shallow:** Ø4"5/8 x 1"4"H - 141.1

**Deep:** Ø4"5/8 x 1"5/8H - 141.1 deep

**Mini Flush Mount:** Ø3/4" - 141.1m

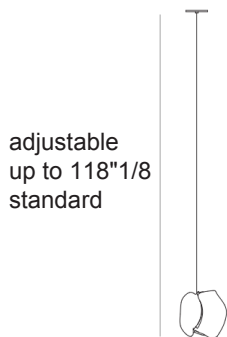

## Pendant

± 9"7/8 - 15"

### 141.1

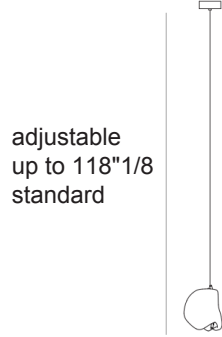

- Single pendant
- Shallow canopy

± 9"7/8 - 15"

### 141.1 deep

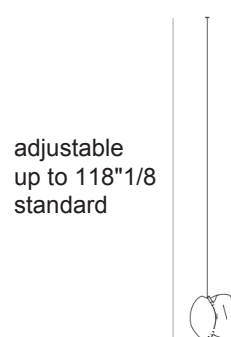

- Single pendant
- Deep canopy

± 9"7/8 - 15"

### 141.1m

- Single pendant
- Mini Flush Mount canopy

± 9"7/8 - 15"

### Standard Coaxial Cable Length:

- 118"1/8

### Extra Coaxial Cable Lengths

(Standard Length + 118"1/8 Increments):

- 236"1/4
- 354"3/8
- 472"3/8
- 590"1/2
- 708"5/8
- 826"3/4
- 944"7/8
- 1063"

## Specifications

**Mounting:** Ceiling mounted.

**Lamp:** 2W LED 110V - 2500K - 180lm

**Dimmable.**

**Coaxial Length:** 118"1/8 standard - Adjustable length - Up to 1063" max.

**Power Supply:** Integral. 141.1m is remote mounted.

Bocci recommends remote mounting power supplies for ease of long-term maintenance.
