

Vince

Design: Stefano Spessotto

Description

With clean lines and perfectly proportioned volume, Vince is an elegant fixed table that embodies the essence of simplicity, masterfully shaped into a sculptural form. Crafted with meticulous attention to detail, Vince speaks through the harmony of its materials, where the solidity of the structure, covered in fabric, meets the refinement of a seamlessly finished top, available in either matt or high gloss. Subtle yet distinctive stitching, a hallmark of artisanal craftsmanship, elegantly traces the contours, lending the piece a tactile softness that contrasts beautifully with its architectural silhouette. Made in Italy.
