

Cactus Ficus With Flowers

Design: Duccio di Segna

Description

A refined homage to the botanical form, this decorative Cactus Ficus sculpture captures the delicate rhythm of nature through the exceptional purity of Colle Val d'Elsa crystal. Inspired by the sculptural beauty of the ficus, this luxury piece presents fluid curves and gentle undulations, creating an organic and architecturally balanced silhouette.

Elegant as a single piece or as part of a select collection, the Cactus Ficus sculpture offers a timeless fusion of contemporary art and traditional craftsmanship, embodying the serene power of desert flora in a luminous, sculptural form. Made in Italy.
