Description

This exquisite trio of swan sculptures, masterfully crafted from renowned Colle Val d'Elsa crystal, captures the essence of grace, harmony and timeless elegance. Comprised of a large swan and two slightly smaller companions, the composition evokes a serene familial bond: an expression of unity, protection and quiet dignity.

Each swan is sculpted with refined detail, from the gentle arch of its neck to the fluid curve of its body. The variation in scale adds depth and rhythm to the ensemble, enhancing its presence as a centerpiece or as a contemplative element. This set is a testament to craftsmanship and poetic design. Elegant and enduring, it brings a sense of serene beauty to any refined interior.
