

Gilda

Design: Roberta Vitadello

Description

Floor lamp with a metal structure, glossy white metal base and a hand-carved transparent glass and satin methacrylate diffuser.

Gilda transforms light into pure emotion, evoking the elegance of the 1950s. Its slender, scenic structure, light yet striking, is available in different finishes, gracefully rising from a white metal base to a crystal diffuser. Made in Italy.

Light Source (110V):

7,8W - 1000 lumen - 3000K - CRI>80
Standard dimming: UL TRIAC
Integrated non-replaceable LED module

Dimensions

Ø9"7/8 x 53"1/8H
