

# Regolo

Design: Stefano Traverso

## Description

Floor lamp with a metal structure and opal methacrylate diffuser. Decorative sphere in marble.

The Regolo floor lamp is a true statement of style, completing the existing collection. The iconic marble sphere in calacatta gold or marquina black contrasts with the lightness of the aluminum bar with touch sensor. Minimalist geometry and clean lines come together to create a timelessly elegant piece. Made in Italy.

## Light Source (110V):

32W - 3900 lumen - 3000K - CRI>80

Standard dimming: UL TOUCH

Integrated non-replaceable LED module

## Dimensions

6"5/8W x 6"5/8D x 74"3/4H
