

Milo & Mila

Design: Paolo Cappello

Description

Interlocking intrigue, Milo / Mila is a table with sharp edges that goes against the grain: instead of the usual rounded terracotta forms, it opts for a decidedly geometric and occasionally irregular profile. Echoing the radical design of the 60s, it is pleasingly unique even in its commitment to a single material. Made in Italy.

Dimensions

Milo: Ø19"1/4 x 18"1/2H

Mila: Ø15" x 18"1/2H

Finishes and materials

Structure & Top: Terracota Baked Clay
