

Demetra

Description

This set of two round baskets from the Demetra collection combines aesthetics, functionality, and attention to detail. Each basket features a solid wooden structure, hand-woven with Pinetti's signature eco-friendly leather—a washable, durable, and water-resistant material ideal for both indoor and outdoor use.

Equipped with four discreet wheels, these baskets can be effortlessly moved around, making them a practical solution for dynamic storage needs. Whether used as wood holders by the fireplace or for organizing household essentials, they offer a sophisticated blend of style and mobility. Made in Italy.
