

Genesis

Design: Gianluca Ragazzo

Description

Genesis by Gianluca Regazzo is a luminous sculpture woven from knitted steel, where textile art meets illumination. Suspended like fabric in air, it captures light with ethereal elegance, creating a poetic interplay between matter and imagination. A living artwork in constant transformation. Made in Italy.

Finishes and materials

Finish: Stainless Steel or Brass knitted metal.

Dimensions

Vertical: ~Ø17"3/4 x ~59"H (55"1/8minH to 70"7/8MaxH of Tensors and Ceiling Attachment)
