

Bamboo

Design: Wave Murano Glass

Description

Each piece is meticulously handmade in Murano island, embodying the expertise of master artisans who transform molten glass into timeless beauty. This Murano Glass Vase is carved by hand using a diamond-plated wheel, creating an intricate, sculpted design with a distinctive satin finish. The result is a one-of-a-kind statement piece that radiates prestige and artistry. Sustainable production practices ensure that you are embracing eco-friendly elegance.

Ideal for interior designers, the Bamboo Vase elevates any space with its refined presence. Embrace the allure of the Bamboo Vase and redefine elegance with this prestigious addition. Made in Italy.
