

Brenda

Design: Wave Murano Glass

Description

Brenda is a sophisticated collection of beautiful vases inspired by the history of Murano glassblowing.

The highlight of these vases is their transparencies, combined with the uniform "balloton" texture, encased between two layers of clear glass. Here, history and tradition embrace each other. Made in Italy.

Dimensions

Size A: 7"1/2H | **Size B:** 8"1/4H
SET OF 2: 1 x Size A + 1 x Size B
