

## Disko

*Design: Wave Murano Glass*

### *Description*

Disko is a stylish set of two vases made of exclusive Murano glass. Each piece is initially hot-worked to obtain a basic shape, which is then carved using a diamond lathe in the cold-work shop, the department where the glass is finished.

This effect creates unique, modern and elegant pieces that will be unique every time. Made in Italy.

### *Dimensions*

14"5/8H

**SET OF 2:** 2 x 14"5/8H
