

Luna, Sole & Venere

Design: Wave Murano Glass

Description

This collection pays homage to the wonders of our universe, evoking the ethereal beauty of planets, stars and celestial satellites.

Each piece features a stunning shimmering surface, achieved through a masterful fusion of polished glass, with delicate bubbles suspended between overlapping layers and a mirrored interior that reflects light with a cosmic glow.

Sculptural and otherworldly, these Murano glass vases captivate with their depth, luminosity and mystery. With their unparalleled brilliance and galactic allure, they become the focal point of any space. Made in Italy.
