

Marea

Design: Wave Murano Glass

Description

Marea is an exclusive collection of elegant vases, entirely handcrafted in Murano glass by master artisans. Its name, which means "tide" in Italian, evokes the rhythmic rise and fall of Venetian waters, a natural movement beautifully captured in the fluid, undulating patterns that adorn each piece.

The decoration flows gracefully over the glass surface, creating a sense of movement, depth, and harmony. Offered in a set of three vases of varying sizes, Marea brings timeless elegance and a touch of poetic artistry to any space. Made in Italy.
