### *Description*

Marte is a captivating collection of handmade Murano glass vases inspired by the enigmatic beauty of the planet Mars. Its name pays homage to the rich, textured surface of this celestial body, reflected in each vase through meticulous sandblasting and artistic bleaching.

The result is a stunning gradient of earthy and luminous tones that seem to shift and shimmer in the light, evoking the mystery of distant worlds. Presented in a set of three vases of varying sizes, these vases bring warmth, depth and a cosmos touch to any interior. Made in Italy.
