Design: Wave Murano Glass

Description

Organic shapes and soft curves define this exclusive collection of Murano glass vases, each piece masterfully crafted by skilled Venetian artisans. The fluid silhouettes evoke a sense of natural elegance, where form adapts to movement in a harmonious balance of design and craftsmanship. The set includes four vases, two small, one medium, and one large, perfectly proportioned to create a dynamic and cohesive presentation. Whether grouped together or styled individually, they bring a refined and artistic presence to any space. Made in Italy.
