

## Mistici

*Design: Wave Murano Glass*

### *Description*

The 'Mistici' collection owes its name to the mystical allure evoked by the spiral motif surrounding the central aquamarine sphere, a captivating core that radiates a serene energy. Each vase is a refined expression of Murano glass artistry, with delicate translucent hues enhanced through elegant sandblasting techniques.

The mesmerizing twisting effect that envelops these "sommerso" pieces creates a sense of fluid movement, making them hypnotic and visually captivating. Bold yet elegant, Mistici vases bring a distinctive touch of eccentric elegance to any space. Available in a set of two in complementary sizes, they are timeless pieces destined to captivate.
