

Otre

Design: Wave Murano Glass

Description

Otre is a sophisticated collection of handmade Murano glass vases, inspired by the timeless silhouette of ancient amphorae, crafted from fired clay to hold precious liquids. Each piece features exquisite sandblasting and delicate bleaching, resulting in ethereal gradients of color and transparency that transform in the light.

Elegant yet understated, Otre vases add a touch of history, artistry and serene luxury to any setting. Available in a set of two in complementary sizes, they create a striking yet harmonious piece. Made in Italy.
