

Perseus

Design: Marcel Wanders

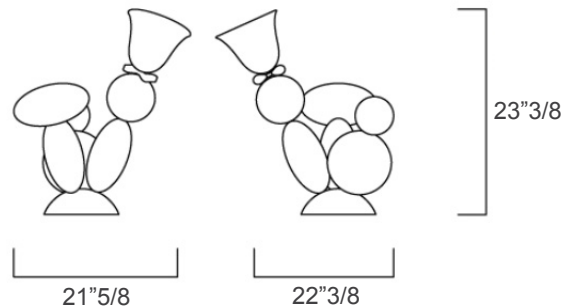

Description

An illuminated sculpture, a lighting emotion, a world away from the classic style. It is composed of a large number of Venetian crystal elements that represent a mix of the glassmaking techniques reinterpreted, paired, and mixed in a subversive way with respect to the canons of classicism.

Made in Italy.

Dimensions

21"5/8W x 22"3/8D x 23"3/8H - Cod. 7314-00
3 G4 x 7W - Not dimmable - Included
