## *Description*

Rosary is a masterpiece that blends tradition and refinement, a creation that tells stories of craftsmanship and passion. Made from three-layered spruce wood and recycled composite, this structure is enveloped in a soft layer of wool batting, providing a sensation of warmth and comfort. The headboard, upholstered in Pierre Frey velvet, is an embrace of elegance, with its luxurious fabric capturing the eye and inviting an extraordinary experience of comfort, a true pleasure for the senses. The ceramics, made of white earthenware and crafted in Nove, one of Italy's most renowned ceramic districts, are at the heart of this creation. Each piece, shaped by hand and then fired, is a unique work of art, where artisanal mastery is reflected in the finest details. The colors and decorative patterns are carefully chosen, making each ceramic a small masterpiece. The robust, rich terracotta adds a touch of timeless refinement, imbuing the composition with an aura of sophisticated beauty. Each headboard is carefully numbered, like an exclusive work of art, destined to tell a unique story. Bed base NOT Included. Made in Italy.
