*Design: Lorenzo Remedi & Paolo Cattelan*

## *Description*

Fixed table with base in mirrored and quilted curved glass and shaped or round top available in a wide range of ceramic Marmi finishes with Brushed Bronze or Brushed Grey lacquered and rounded lower profile. The central base consists of two finely worked plates of quilted mirrored glass, creating a play of soft reflections, in which the surrounding objects and light sources reverberate. The glass is shaped with an unprecedented technique that gives the surface a three-dimensional effect like quilting on fabric. Made in Italy.

Rounded lower profile
