

Otto

Design: Luca Erba

Description

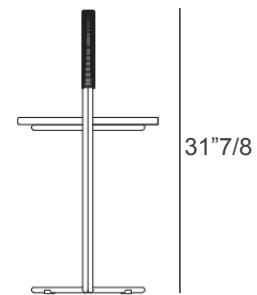

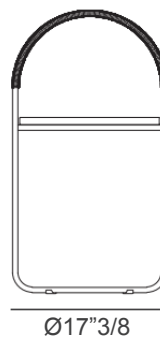

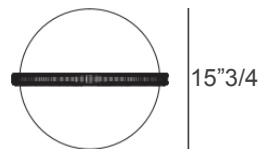

Essential in form yet rich in refined detail, the Otto side table reimagines lightness through its slim-profile metal frame, elevated by the artisanal touch of a hand-wrapped leather cord. Two adjacent tubular elements trace the shape of an “8”, the signature symbol and inspiration for the collection. Delicate metal lines outline an airy structure, their connections elegantly bound by the leather cord — a subtle expression of craftsmanship that adds both texture and character.

A solid wood base plate is offered as optional.

Made in Italy.
