

Castel

Design: Vincenzo Bafunno

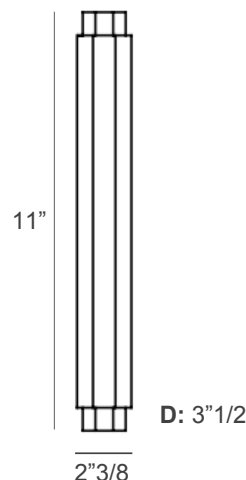

Description

The alchemy of light unveils the essence of architecture and transforms it into design. Inspired by the timeless geometry of Castel del Monte, the collection offers a contemporary interpretation of Apulia's architectural heritage. Its octagonal form becomes a prism of reflection, capturing and refracting the shifting interplay of light and color within a space. Each face reveals a distinct character, crystallizing the ever-changing iridescence of its surroundings. Castel has a double LED light source: the direct light downwards and the atmosphere light upwards. Made in Italy.

Light source: 2 Spot LED 6W - 4000°K - 220 Vdc
- 560 lm life time 30.000 hrs - SMD type 5630 -
Dimmable - 0,023 V3 - Energy Efficiency: A+

Dimensions

2"3/8W x 11"H x 3"1/2D - CASTEL Wall

Finishes & Materials

Structure: Handcrafted metal.
